

Restorative Neck Complex with TriHex Technology®

BENEFITS

- Luxurious formulation hydrates the delicate skin on the neck and décolleté.
- Leaves the neck and décolleté feeling more resilient, smoother, and tighter.
- Helps to address the appearance of aging skin and sun-damage discoloration.
- Helps to lift and firm the skin on the neck and décolleté.

ORDER OF USE

Apply after use of Gentle Cleanser and other Alastin Skincare® treatment products but before sunscreen.

HOW TO USE

Apply one pump to the neck and décolleté using upward strokes each morning and evening.

KEY INGREDIENTS

TriHex Technology®

Helps support the skin's natural ability to produce new healthy elastin and collagen.

Acetyl Tetrapeptide-2

A peptide that supports healthy tissue renewal through elastin production to tighten the appearance of the skin.

Plantago Leaf “Common Plantain”

A wildcrafted plant that helps support collagen production to re-awaken the skin to function as it did when you were younger.

Phytoene/Phytofluene & Niacinamide

A multi-functional antioxidant extracted from saltwater micro-algae and vitamin B3 helps to minimize the appearance of redness and even the appearance of photo-aged skin.

Polyhosalosides “Flax Seed Extract” & Hydroceramide

A powerhouse of omega-3 fatty acids and antioxidants that increase natural hyaluronic acid levels to help restore and lock in hydration while nourishing & softening the skin.

Avocado Extract, Bentonite, Dill Extract

Natural antioxidants that reinforce the skin's elasticity and firmness, while also maintaining healthy moisture levels for a youthful glowing complexion.
